Conference Program

The AFCC Washington Chapter is now in our 9th year as a successful chapter.

Our membership continues to grow, and we are expanding our outreach to all 39 counties in Washington State with Special events, GAL trainings, and inservices opportunities to family courts, GAL trainings and other events.

We serve Professionals who work with children and families from the many disciplines making up the interdisciplinary community that work in the field. Judicial officers, Guardian ad Litem, Attorneys, and Mental Health professionals in the Washington State and surrounding region will be contacted on at least twelve occasions in preparation for the 9th Annual Conference and at least six times for all other major events.

We send out email marketing to our WA-AFCC members and over 2,000 professional colleagues and collaborative partners. In addition to the large email marketing, whenever and wherever WA-AFCC promotes the annual conference, your organization's ad will be distributed as well.

Here are some of the places the conference will be promoted: on the web through other organization's websites and calendars (such as through the AFCC International web page). Additionally, our sponsors can be featured in the WA-AFCC newsletter. (circulation of 1,700+).
